February 2019

Hello Parents, Teachers & Friends!

We are offering a homework club on Fridays. This will give students an extra day to complete homework. If your student has completed their work for the week they will participate in the Fun Friday activities.

We will continue with our Art Club so that students can create their masterpieces for our 5th Annual Art Show. We will have Art twice a week for this month. It is a short month with Winter Break from February 25 through March 1, 2019.

We will also offer a Debate Club where students will be given an opportunity to argue their case on topics that could be important or sensitive to some of our students.

We will offer a music club where student will listen to music, recognize how the music affects their emotions or reflect on what the song means to them.

We will also offer a cooking club where students will make popcorn balls and eggrolls. We will use cabbage for the eggrolls which is the vegetable of the month from The Farm to School Program.

If you have any questions or concerns please feel free to contact me.
