We hosted our 5th Annual Art Show on March 15, 2019. All five Project Youth Afterschool Programs (Berlin and Gorham) attended. We would like to thank everyone that attended in support of our programs.

We will complete an Earth Day Activity on April 19, 2019 before we go on spring break.

*"Never doubt that a small group of thoughtfully committed citizens can change the world. Indeed, it's the only thing that ever has." -- Margaret Mead*

We sent home a letter to parents/guardians the last week of March to opt your child out of our 21 CCLC student survey. We will begin the surveys on April 1, 2019, if we did not receive the opt out letter back by March 29, 2019 signed by a parent /guardian.

There is no Afterschool Program on April 4th, half day of school, Spring Break is April 22 through 26, 2019

## Hello Parents, Teachers & Friends!

We offer a homework club on Fridays. This will give students an extra day to complete homework. If your student has completed their work for the week they will participate in the student facilitated activities.

We will offer two Student Facilitated Clubs where students will be given an opportunity to use their leadership skills to plan and facilitate clubs for their peers.

We will offer a Substance Awareness Club where students will be given information regarding substance abuse and resources to seek help. This may be a difficult topic for students.

We will continue to offer a Career Readiness Club where students will evaluate themselves and look at the skills needed to go to college or out in the work force (employability skills).

We will offer a Cinderella Literacy Club where students will read stories of Cinderella from around the world and identify differences with fun activities planned.

If you have any questions or concerns please feel free to contact me.
