Afterschool Programs

January 2019

Hello Parents, Teachers & Friends!

Welcome back from Christmas Vacation! I hope that everyone ate lots of good food, got some rest, and got time to see lots of friends and family! We are now into the second half of the school year, which can tend to be the more difficult one. If your students are struggling with something, please let us know so that we can try to aid them to the best of our ability. We have plenty of enrollment slots open.

This month we have some exciting clubs going on. Mr. Dakota has some awesome active games that he is ready to teach the students once they are back from Christmas break.

Mrs. Amanda will be crafting up some great projects that the students will be able to take home to show off to friends and family.

Mrs. Monica will be teaching the kids about small businesses and how they impact our area. She will also be showing the kids how to build and grow their own small businesses and how to create products that people will want to buy.

In our spare time, we will spend time outdoors, hit the gym, and participate in some Jeopardy and Pictionary!

On January 17th, we will be having a Board Game Building event for the students that we are encouraging parents to come on out to!

Best Wishes,

Jake Buteau
