July/August

Hello Parents & Youth!

Due to the Covid 19 we are not able to conduct our summer program as we have in the past. We will be offering a free, five week, remote summer program, Monday through Friday, 12:30 PM to 2:00 PM. We will provide all materials in boxes that we will deliver weekly. Our Friday Family Event items will be in the boxes., and the next week of supplies. We will deliver the first box on July 17, 2020. Our first day of camp will be July 20, 2020.

We will start our day with a check-in for youth and staff. We will read from our camp book, have fun with math, do a daily activity, write in our journals daily, and explain the second activity for the day (students will complete this activity on their own. We will discuss the outcomes of the activity the next camp day. Students will be able to take pictures of the completed activity and email them to [jake.buteau@frc123.org](mailto:jake.buteau@frc123.org).

We will have the following Clubs: Get to Know You, Literacy, Scavenger Hunts, Art, Community Service, Family Events, and STEM daily.

We will complete a weekly Community Service activity and enjoy time with our Families.

Sincerely,

Mrs. Troy and Mr. Jake
